SOCIAL

Plans are underway for next semester's social program. If anyone has any suggestions with regard to banquets, parties, trips or any other aspects of the Gryphon social program, they are requested to report them to Jim Rice.

It is the feeling of the D.P. that more spending will result in a better social program. This, of course, will necessitate a higher social assessment. If there are any feelings pro or con on higher spending and of course, a higher assessment, please impart these, also, to Jim.

HOUSEPARTY

The houseparty committee wishes to report that they will overspend their budget by a substantial amount unless more than the number of people who have presently indicated interest come to Houseparty. Such a deficit our treasury cannot easily absorb.

SPORTS

The softball season is expected to begin this week. Be prepared..
